Full foam latex coating doubled with latex on palm over nylon/polyester liner

FEATURES

- Revolutionary dual coating
- Full foam latex with extra coating on palm
- Breathable 13-gauge liner
- Seamless knit

BENEFITS

- Flexible construction enables high-performance dexterity across a range of outdoor tasks
- Aerated latex foam coating reduces perspiration for maximum comfort
- Creates an impenetrable barrier against water and liquids
- Natural rubber coating offers superior grip
- Mimics the curvature of a human hand to reduce fatigue
- No skin irritation

[USER INSTRUCTIONS

Do not use where there are chemical, electrical, thermal or entanglement risks. Wash at 40°C max. Performance levels as per standard EN388 retained after 3 washes, subject to variations linked to actual usage conditions. The performance levels apply to the coated surface only. Store in a dry place, away from the light.

[DISCLAIMER

The descriptions, characteristics, applications and photos are given for information purposes and do not constitute a contractual commitment. The manufacturer reserves the right to make any modifications it deems necessary.
